Teacher contacts will look like this.

Click on the bell on the bottom right corner of your screen to choose which notifications to get from that teacher.

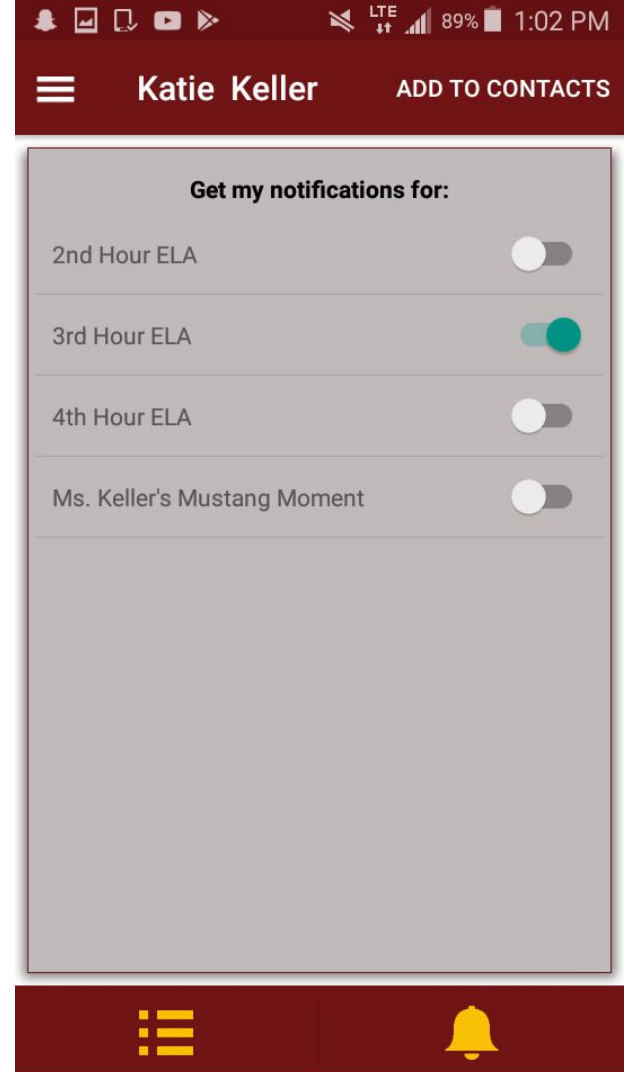

I am so excited to be teaching 6th grade ELA here at McKinley! I'm a voracious reader myself, and believe it or not I love writing papers. Let me know if there is anything I can do for you- my students or their parents. Go Mustangs!

MMAM App

Only turn on notifications for the class you are in! Each class will be getting specific messages.

MMAM App

After subscribing to a teacher's notifications, they will show up on your home screen each time the teacher sends out a message.

In the bottom right corner of the message you can see what class it was for.
